Remarks

Welcome to 11407 Willow Gardens Dr, a beautifully maintained 5-bedroom, 3-bath Windermere home with a dedicated office, split floor plan, and inviting spaces designed for both everyday living and entertaining. This home features tile throughout (no carpet), a spacious game room with a pool table included, an electric fireplace, and four sliding glass doors that seamlessly blend the pool area with the indoor living spaces for true Florida indoor-outdoor living. The primary bedroom offers a special retreat with a two-sided gas fireplace, adding warmth and character to the space. Custom built-ins and back yard tree house are bonus features. Enjoy the private pool year-round with a new electric pool heater (2024), plus peace of mind from major recent upgrades including new windows (2021), two new AC units (2023), a new roof (2024), and fresh exterior paint (2025). With generous living areas, flexible work-from-home space, and big-ticket updates already completed, this move-in-ready home is a standout opportunity in one of Windermere's most desirable areas.
